Many wonderful events have taken place at the Sweetwater Woman's Club (SWC) over the years. Our property is nestled among Eucalyptus trees in the rural area of Bonita and is available year-round. Designed by Cliff May and built in 1934, SWC was designed with his trademark open beamed ceilings, a distinctive kiva-shaped fireplace, and French doors.

Please contact the Sweetwater Woman's Club for your next event! Features of the hall include the clubhouse parking lot, seating up to 120, hardwood floor for dancing, a large dressing room, enclosed patio, portable bar, kitchen with use of refrigerator with freezer, stove to warm food and ample counter space. Our caretakers are available on site to help with any questions or issues to ensure you have a great experience.

For more information please check the SWC website at www.sweetwaterwomansclub.org or leave a message at (619) 479-7888.
